

2005 Rep of the Year

DNA Group's Rep of the Year program was established in 2001 as a means to recognize accomplishments and outstanding performance. We feel it is important to publicly acknowledge some of the great milestones achieved and to say thank you for the energy put forth in making things happen.

The winner of the 2005 Rep of the Year award is **Electroline Sales -Wisconsin.**

Electroline Wisconsin was nominated, and subsequently earned this award for their success in generating new business opportunities while maintaining a high level of service to their existing business in the Wisconsin territory. Scott Weber covers this territory for Electroline Sales which is led by Tim Smith.

This is Electroline Sales' second award, having previously earned the title in 2003 for their efforts in the Minnesota region.
